

2 CORINTHIANS 11:1-15

FALSE APOSTLES!

Don't be so gullible!

A lack of discernment mean people are led away from Jesus (v 1 – 4)

So, don't settle for a different Jesus, spirit, or gospel

Paul was not inferior to the "super-apostles" (v 5 – 11)

True gospel ministry is about the truth in weakness, not rhetorical flourish

The free offering of the gospel was a sign of love, not a sign of inferiority.

Those who offer a different gospel are false apostles, following Satan (v 12 – 15)
